

## **P. Leela Manasa**

### **Career Objective**

Motivated Data Science undergraduate with hands-on exposure to web development, Generative AI, Machine Learning, and Deep Learning through workshops and projects. Passionate about learning new technologies and building real-world solutions.

### **Education**

B.Tech – Data Science (3rd Year)  
Santhiram Engineering College, Nandyal  
Good CGPA across semesters

Intermediate (+2)  
Narayana Junior College  
Score: 862 / 1000

SSC  
Vivekananda High School  
GPA: 10

### **Technical Skills**

HTML, CSS, JavaScript, Python (Basics), Pandas, Machine Learning, Deep Learning, Neural Networks, CNNs, LLMs, Generative AI Tools, GitHub

### **Workshops & Training**

- Web Development Workshop – HTML, CSS, JavaScript; built a basic web page.
- Generative AI Workshop – Learned GenAI concepts and AI productivity tools.
- Machine Learning & Deep Learning Workshop – DataFrames, Neural Networks, CNNs, LLMs, project deployment using GitHub.
